

## Sunday with the flu

Put the words back into the song.

..... my door,..... my key Sunday  
Missed my bus in the pouring rain  
It's been the usual..... with a flu forgot  
And I just can't get over you Closed

Burnt my toast and .....your number  
.....my finger, spilled my beer  
It's been the usual sunday with a flu Cut  
And I just can't get over you lost

I put your stockings in my purple boots  
What if I don't get over you?

.....a chat and left my hat  
Ate my dog and..... my cat Had  
It's been the usual sunday with a flu  
And I just can't get over you walked

I put your stockings in my purple boots  
What if I don't get over you?

I put your stockings in my purple boots  
What if I don't get over you?

..... a cabbage, threw the garbage Asked  
.....for help and got some kelp Called  
It's been the usual sunday with a flu  
And I just can't get over you

I put your stockings in my purple boots  
What if I don't get over you?
