

That is.. Those are...

39

Mike is on a safari trip and there are many animals far away. Look and label the animals he sees through his binoculars. (Mike está en un safari. Hay muchos animales lejos suyo, pero él los puede ver con sus binoculares. Arrastrá el nombre de los animales hasta el lugar correcto)

tiger

snakes

elephant

monkey

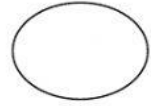

parrots

lions

birds

zebras

crocodiles

Now, write sentences using **"That is"** (if it is only one) and **"Those are"** (if they are more than one)
