A. Listen to the poetry recital and let's recite the poem together.

A Simple Act of Kindness

A simple act of kindness
can stop a million tears.
A little hug
can give so much joy.
A letter now and then to someone
can save so many wasted years.
We should hold every moment precious
and help as many as we can
with a simple act of kindness
every now and then.
The world would be a better place
if we all cared a little more.
Imagine how many smiling faces
would greet us at the door
if we extended that helping hand
with a simple act of kindness
that could spread across many lands.
