

Guess the offense:

"Oops, sorry. I didn't see you standing there. Are you Ok?"

"Sorry to bother you again, but I really need to ask a question."

"I'm so sorry I'm late. The traffic was really bad this morning."

"Oh, that was your food, my bad."

"Please forgive me, I know that it was your favorite shirt!"

"I want to apologize. I know I wasn't paying attention to where I was riding my bike."

"Please, please forgive me! I feel so bad that I wasn't more careful."

Guess the apology:

"No big deal, that CD was only 10 yuan. I can get another one."

"Don't worry about it. I have another pen I'll use in class today."

"I forgive you. I know that you didn't mean to break my bike."

"It really isn't a problem. I don't mind if you listen to your radio while I study."

"It's alright; it's alright. I know you were just angry with me, you didn't mean what you said."

"I understand. Just try to speak English as much as you can in class."
