

CLB4A – Writing – Skill Building – Adjective VS Adverb

Think about whether you should use **the adverb** or **the adjective** in each of these sentences. Use the word at the end of each sentence to help you.

1. Think CALMLY about whether you want to quit this job. (calm)

***An adverb is used because you are using it to describe the verb "think". How do you think? – CALMLY.**

2. I'm SURE he didn't mean to frighten you. It was an accident. (sure)

***An adjective is used because you are describing something and after to be.**

3. Her hair always looks so . I'd love to know what she uses on it. (soft)

4. My wife felt about the play she was in, but she performed wonderfully, but I did wait for it to begin. (nervous)(nervous)

5. Look in the fridge - something smells . (bad)

6. The grass grew because of the dry weather. (slow)

7. The new couple next door seem , don't they? (nice)

8. The teachers worked during COVID19, and the students worked . (hard) (patient)
