My best friend

My name's Nina. My best friend is Sophia. Sophia is quite tall and she's very slim. She sits behind me in class. We have lunch together every day – we take a packed lunch and when the weather's good we eat outside. I don't like sport, but Sophia does – she's in all the school teams. She also has dance lessons – she goes to them on Mondays and Fridays. I'm not interested in dancing, but I'm learning how to sing – I have singing lessons every Wednesday. I'm not very good at it, but I'm getting better! Sophia's parents are Spanish, but she doesn't speak Spanish at home with them. She's learning Spanish at school with me.

They go to Spain every year and Sophia likes the country very much. I've got lots of friends, but Sophia is my favourite person and I spend a lot of time with her.
