Sally : I noticed that you're really active on your social media account. You tend to update the status of your location, \_\_\_\_\_ photos of whatever you're doing all the time and you recently changed your \_\_\_\_\_.

Mae : Yes, I'm just sharing my life with all of you. No worries, girl. All the pictures are pretty \_\_\_\_\_. I'm not showing too much skin. Also, I've changed the \_\_\_\_\_ of my Instagram account. Only my friends can view everything I share online. Plus, I don't add strangers as friends.

Sally : I'm glad that you're social media \_\_\_\_\_. Remember to \_\_\_\_\_ whenever you're not using your account especially when the computer or phone is not yours.

Mae : Chill, pal! I know what I'm doing. You don't have to worry about me.
