IV. Read the story and choose the best answer

All over the world, people listen to classical music. Classical music is difficult to describe. It means different things to different people. Some famous classical composers were Bach, Vivaldi, Haydn, and Mozart. In their music, they did not tell a story or show strong emotion. They wanted to make a beautiful, interesting design. They wanted to write lovely sounds.

Then composers started to interpret ideas. They told stories about wars, armies, and soldiers. They wrote about religion. Sometimes they composed music for holidays. They told love stories and showed strong emotion. Some of these composers were Beethoven, Schumann, Chopin, Mendelssohn, Wagner, and Tchaikovsky. Classical music has stayed with people for a long time. Bach wrote about 300 years ago, Beethoven wrote about 200 years ago, and Tchaikovsky wrote over 100 years ago.

Sometimes people close their eyes to listen to classical music. When they close their eyes, they can see the design. They can listen to the same classical music many times and enjoy it. Sometimes it is difficult to understand. The listener has to think about it. However, we can all learn to enjoy some classical music. It is very important to people.
