

Listen to the story again, and then answer the questions

The ant and the grasshopper

1 Listen and read.

1 It's a sunny day in the rainforest. The grasshopper is happy. He jumps and he sings.

Ah! It's sunny and I'm happy!

2 Soon the grasshopper sees an ant. The ant is busy.

I'm very busy!

3 The ant has got something on its back.

What have you got, Ant?

I've got a leaf!

4 The grasshopper laughs.

Oh, Ant! It's sunny! Don't work! Come and play with me!

5 The grasshopper plays in the sun. But the ant can't play. The ant works.

No, Grasshopper! I'm busy! Goodbye!

6 All the ants work together. They carry the leaves. Then they put them under the ground.

1, 2, 3, 4!

1, 2, 3, 4!

7 Now it's night time. The grasshopper is hungry and tired.

Now I'm tired. I'm hungry too!

8 In the ant nest, fungus grows from the leaves. The ants eat the fungus. The grasshopper visits the ant.

Have you got food, Ant?

Yes, I have. Oh, Grasshopper! You can eat it. But tomorrow, collect your own food!

- a) Can the ant play?
- b) Has the ant got a leaf?
- c) Is the grasshopper working?
- d) Is the grasshopper hungry and tired at night?
- e) Has the grasshopper got food?
- f) Does the ant share its food with the grasshopper?
