9. Read the text and circle five more mistakes that need to be corrected. **A₂**

Children have helped adults with them daily jobs for hundreds of years. For example, where parents are farmers, children help on their parent's farm. They often feed the family' animals or pick vegetables from theirs fields. Many children have never seen a tap for water. They have walked to a well to get water every day since they were quite small. If a fisherman has a son, he son will probably also go out on his fishing boat. It is hard for these families to survive without hers children's help. When they grow up, they have already learnt skills that they need in everyday life. The lucky ones have also been to school!
