ABBA. I HAVE A DREAM

EXERCIS: listen and choose the correct verb for eachblank space

I **am / have** a dream, a song to **sing / ring**
To help me **note / help** me cope with anything
If you **saw / see** the wonder of a fairy tale
You can **make / take** the future even if you **mail / fail**
I **believed / believe** in angels
Something good in everything I **see / meet**
I **believed / believe** in angels
When I **knew / know** the time is right for me
I'll **crossed / cross** the stream - I **am / have** a dream
I **am / have** a dream, a fantasy
To **help / hop** me through reality
And my destination **make / makes** it worth the while
Pushing through the darkness still another mile
I **believed / believe** in angels
Something good in everything I **see / meet**
I **believed / believe** in angels
When I **knew / know** the time is right for me
I'll **crossed / cross** the stream - I **am / have** a dream
I'll **crossed / cross** the stream - I **am / have** a dream
