There are often containers in car parks outside supermarkets for people to put bottles in; clear, green and brown bottles are separated. Also, newspapers and magazines can be recycled as well as cans made of aluminum. One of the problems of this is that most people don't want to take their *rubbish* there. To overcome this, some local councils also provide special containers, often called 'recycling bins', for people to collect glass and paper in. They put these outside their houses at the same time as their rubbish, and *they* are collected and recycled.
