

NHA TRANG - COASTAL CITY

Nha Trang is a nice seaside resort and (1) ideal center for relaxation. Nha Trang has many beautiful mountains and lakes, Cham towers, hot springs and architectural works. However, (2)..... speaking of Nha Trang, people always mention its beaches in the first place. Nha Trang's beauty (3) first of all from the blue sea and picturesque nature of its islands. This coastal city (4) a ten - kilometer beach and 19 islands. The main beach runs from Tran Phu Road and (5) planted with pine trees and other evergreen trees. Nha Trang is a coastal city but it is not far (6) forests. In the west of the town, (7) is a long range of hills where visitors can walk pleasantly. Nha Trang has many ancient cultural buildings. The town still preserves a (68)of old towers and pagodas. Nha Trang is sunny almost all the year (9) It doesn't have winter, but in summer it isn't (10)hot as in the North. The cool wind from the sea gives the town an eternal fall.
