| B. The worst aspect of my hobby | E. Why I like my hobby            |
| C. My hopes for the future      | F. When and where I do it         |

1.....For me, every weekday begins the same: I get up at 7.00. I have breakfast, I take the bus to school, I go to lessons... I don't hate this daily routine, but it isn't very thrilling. In the evenings, however, I drive Formula 1 cars, build enormous cities and defend my planet against aliens. In short, I play computer games. It's like entering a different world. That's why I love playing them so much.

2.....My interest in computer games has taught me a lot about computer graphics. I want to study computing at college, and learn how to design and program games. Eventually, I'd like to start my own software company, creating and testing new games. That way, I could spend all day doing what I love most.

3.....Computer games are interesting because they often contain stories and characters. The games are getting better all the time, but they are also getting more expensive. The only thing I don't like about my hobby is the cost! New games are often about \$50.

4.....Some of my friends from school are interested in computer games too. We normally meet at my house in the evenings and play for a few hours. We sometimes play at weekends, but if the weather's good I prefer to go cycling or play basketball instead.

5..... I first became interested in computer games about four years ago. I was staying with my cousin for the weekend. He had some games and he taught me how to play them. I became hooked immediately! When I got home, I decided to save all my money for buying games. Now I've got about twenty different games.
