Hi Susan,

I had a great holiday, thanks. But it did rain a lot! I thought it was always sunny in Italy!

Our hotel was fantastic. The rooms were very big, and the food was excellent. We ate a lot of food but that won't surprise you. Because the weather was not very good, we played table tennis and, in the evening, we sang karaoke songs in the bar which was fun.

We became friends with a Spanish family from Toledo. The son was the same age as me, so we had fun together.

I hope you had a good holiday too.

Your friend,  
David

### MODEL ANSWER - Question 2

#### The Environment

It is very important that everyone tries to protect the environment. We can all do things to make a difference.

In my house we recycle everything that we can. Paper, plastic, metal and glass should be recycled. This not only means that these things can be used again but also there is less rubbish to burn or put in the ground.

My friends and I often walk around our neighbourhood and pick up litter. We live in a beautiful town and it is sad that people do not care about the environment.

If we are all careful, we can make our world a much better place.
