Hi Sam,

I'm happy that you want to lose weight and be healthier. First, you need to do more exercise. Why don't you walk to school every day? You can be there in fifteen minutes.

If you want to get very fit like me, you can join a gym. They will help you do exercises that make you stronger and you will make new friends.

It is also very important that you stop eating fast food. Try to eat more vegetables every day.

Hi Emma,

I'm sorry you are so worried about the exams. Everyone worries a little bit, not just you. It is important that you have enough sleep the night before the exam. Do not study very late because you will be too tired in the exam.

Also have something to eat and drink an hour before the exam so that you are not hungry or thirsty. You must believe that you can pass them and then you will. You are a good student, so if you study every day, you will learn everything. So please stop worrying.

Your friend,
