

# DREAM OF THE STARS

## EXAM ADVICE

- Many of the sections may say quite similar things. You will have to read carefully to decide which section answers the question exactly
- If you see a word you don't understand, and you think you need to understand it to answer a question, try to guess what it means by reading the text around the word.
- Underline phrases in the texts which give you the answers and check them against the questions.

**You are going to read an article from a school magazine about four teenage actors. For questions 1-10, choose from the people A-D**

1-	believes actors must be ready to accept negative comments?	
2-	has learned a lot from people who work in the theatre and TV	
3-	says that listening to other people's suggestions improves their acting?	
4-	comments on the variety that performing in the theatre offers?	
5-	is prepared to be disappointed initially?	
6-	found that acting satisfied their need to impress other people?	
7-	isn't sure exactly what type of acting they'd like to do in the future?	
8-	won't mind doing different sorts of work to begin with?	
9-	wasn't originally so interested in acting in the theatre?	
10-	is worried about performing in front of some important people?
