### ALMOST HOME

*Mariah Carey*

Hey, hey  
You're almost home  
You're almost home  
You're almost home

I've seen the light in the sky  
In the skies are like fireflies  
Burning bright, just to vanish in the dark  
I've held hope in my two \_\_\_\_\_  
That there would be another chance  
To find the kingdom, I'm believing in my \_\_\_\_\_

'Cause underneath the good there's something greater than you \_\_\_\_\_

When you're almost there  
And you're almost \_\_\_\_\_  
Just open up your eyes and go, go  
When you're almost there  
Almost home  
Know you're not alone  
You're almost home

When you run, run so far  
You've forgotten who you are  
Where you're from, it's like some other \_\_\_\_\_  
You count your steps, like they're regrets  
You catch one breath then lose the rest  
Wrong is right, right is left  
And there's nowhere left to turn  
So don't believe in everything  
You think, you think you know

When you're almost there  
And you're almost home  
Just open up your eyes and go, go  
When you're almost there  
Almost home  
Know you're not alone  
You're almost home  
Oh, oh, oh, home

When you let your heart be the compass  
You won't get lost, not if you trust it  
When you hear the sound of the trumpet  
Louder than ever before

When you're almost there  
Almost home  
Just open up your eyes and go, go  
'Cause you're almost there  
Almost home  
Know you're not alone  
You're almost home  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

When you're almost there
