

## Comparison of equal things

We use **adjectives** to **describe** things.

<b>SIZE</b>				
	big	small	tall	short
				
long	fat	thin	wide	narrow

We are comparing things that are **equal**.

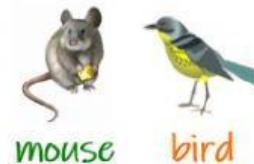

Example - Ana is as tall as Maya.

Maya is as thin as Ana.

Write an equal comparison for each picture.

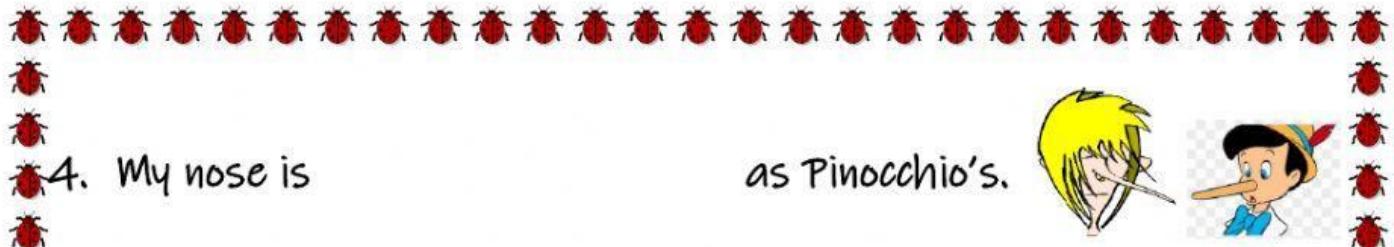

1. Ali is as tall as Joy.

2. A mouse is as small as a bird.

3. The Eiffel Tower is as tall as the Chrysler Building.
