Hi Mai,

School was great this week. We learned about jobs. My teacher asked us to talk about our "dream (1) \_\_\_\_\_".

I want to be an (2) \_\_\_\_\_ like Tran Khanh Duyen, because I like drawing. I really love watching The Golden Cow (Bo Vang) on TV. An animator draws pictures and then uses a computer to make (3) \_\_\_\_\_ for movies like The Golden Cow.

My friend Nam wants to be an actor. He wants to have his photo in all the newspapers and be (4) \_\_\_\_\_. He wants to be (5) \_\_\_\_\_ and have a big house and car.
