The image shows a digital notepad application window. The title bar at the top is teal and contains the text 'New Document - Writepad' on the left and three window control buttons (minimize, maximize, close) on the right. The maximize button is disabled. Below the title bar is a menu bar with five items: 'File', 'Edit', 'Format', 'View', and 'Help'. The main area of the window is a large, empty white rectangle for writing. On the right side of this area is a vertical scrollbar, and at the bottom is a horizontal scrollbar. The entire window has a thin teal border.
