My favourite day

My favourite day of the week is Saturday, because it's the first day of the weekend!

On Saturdays I get up late, around 10:30. Then I always take my dog for a walk. I get home, have a shower and I usually have lunch with my parents and my sister. We always eat homemade pasta. My dad is a really good cook, and we all love Italian food.

In the afternoon, I clean my apartment and do the laundry. If I have time, I watch a movie or an episode of my favourite series.

In the evening I usually go out with my friends.We often go for pizzas. After that we often go dancing. I never go to bed early.
