2. Complete the lyrics with the words from exercise 1.

You try to hold me down so I became a _____
Built up all these walls and now I'm climbing over
Those _____ bees are tempting me
Oh Lord! but I ain't going back
You take me for a fool (fool), that doesn't make me _____
Told me I was wrong (wrong), _____ made you ruthless
Manipulate, It's just too late
Oh lord! 'cause I ain't going back no more
Your fueling of the _____ gonna show you what I'm made of

Breakin' every _____ that you put on me
You thought I wouldn't change but I grew on you
'Cause I will never be what you wanted
This fire (this fire), this fire

Is keeping me alive

Making me believe I couldn't do without you

Make it hard to _____ you think It's all about you

You know I'll never be what you wanted

This fire (this fire), this fire

I tried to get this _____ off of my shoulders

Built up all my strength I'm finally taking over

_____, I don't appreciate

Oh lord! 'cause I ain't going back no more

Your fueling of the flames gonna show you what I'm made of

Breakin' every chain that you put on me

You thought I wouldn't change but I grew on you

'Cause I will never be what you wanted

This fire (this fire), this fire

Is keeping me alive

Making me believe I couldn't do without you

Make it hard to leave you think It's all about you

You know I'll never be what you wanted

This fire (this fire), this fire

Is keeping me alive

Keeping me alive, keeping me alive

This fire (this fire), this fire (Is keeping me alive)

Breakin' me, shakin' me, shapin' me
Into what I never wanted, oh
Breakin' me, shakin' me
Makin' my beatin' heart a little stronger
(Stronger)
(Stronge baby)

Breakin' every chain that you put on me
You thought I wouldn't change but I grew on you
'Cause I will never be what you wanted
This fire (this fire), this fire
Is keeping me alive

Breakin' every chain that you put on me
You thought I wouldn't change but I grew on you
'Cause I would never be what you wanted
This fire (this fire), this fire
Is keeping me alive

Making me believe I couldn't do without you
Make it hard to leave you think It's all about you
You know I'll never be what you wanted
This fire (this fire), this fire
Is keeping me alive
Keeping me alive, keeping me alive
This fire (this fire), this fire
Is keeping me alive
