

FRUITS AROUND THE WORLD

Read the description and link with the photograph.

*Inside= barruan, barrutik

*outside= kanpoan, kanpotik

Mango. It is round (*zirkularra*). In the outside it is red, green or yellow. The mango is yellow inside.

Quince. It has the form of a pear. In the outside it is yellow and inside is beige. In Spanish, we call it "membrillo".

Starfruit. It has the form of a star. In the outside and inside it is yellow. The taste is like the lemon, very bitter.

Rambutan. It is round. In the outside it is red and it has green and red hairs. In the inside it is white.

African cucumber. It is song. In the outside it is yellow. In the inside it is green.
