

In pairs, complete the blank spaces with the correct given sentences

ourselves

himself

ask

take care of

myself

enjoy

## REFLEXIVE PRONOUNS

We use reflexive pronouns when the subject and object in a sentence are the same person or thing:

*Sarah really enjoyed herself at the party.*

|      |                     |
|------|---------------------|
| I    | (1) _____           |
| you  | yourself/yourselves |
| he   | (2) _____           |
| she  | herself             |
| it   | itself              |
| we   | (3) _____           |
| they | themselves          |

### Verbs with reflexive pronouns

Common verbs that go with reflexive pronouns are:

(4) \_\_\_\_\_, *blame*, (5) \_\_\_\_\_, *express*, *give*, *hurt*, *introduce*, (6) \_\_\_\_\_ and *teach*.
