1. Three teachers have just been asked to attend a 'visible thinking' training course. Based on their responses, which stages do you think they are at?
2. Drag and drop the icons in the correct boxes. Do this in your Answer Sheet.

Ok, that sounds interesting. I heard that at my friend's school, they are using visible thinking in the classroom. I'd love to give it a try.

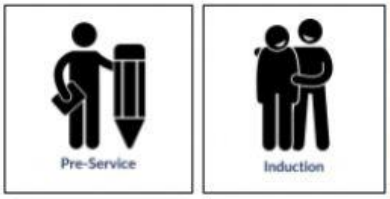

Is this another new thing that we are expected to do? Sure, go on and pile more work on teachers!

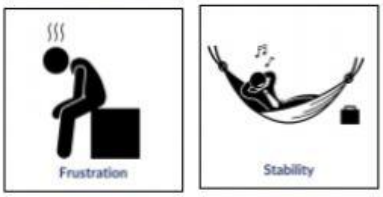

No, thank you. I don't need it. I know exactly what to do to prepare my students for the exams and that's the most important thing
