

I want to play

I want to play.

Sorry, what did you say?

I want to play.

Sorry, what did you say?

I want to play, want to play with Ray.

If you want to play, you must say "May I please?".

Okay, okay, I will say "May I please?".

May I please play today, have a play with Ray?

Yes, today that's okay, you can play with Ray.

May I please stay all day?

You can play, yes you can, but you can't stay all day.

But I said, "May I please", "May I please stay all day?"

Yes, you did, hip hooray -

But no way can you stay there and play all day.

It's Monday today; you have school today.

You can stay all day in the holidays.
