Example:

#### My Son's Future

My son is 15 years old now. In the future, he will have a happy and successful life. After he finishes high school, he will go to college. He really loves to study math. He also loves to build bridges out of toothpicks. He will study engineering, and he will specialize in bridge building. He likes to travel, so he will get a job with an international company and build bridges around the world. He will also work in poor villages, and his bridges will connect rural areas. This will make people's lives better. I will be very proud of him.
