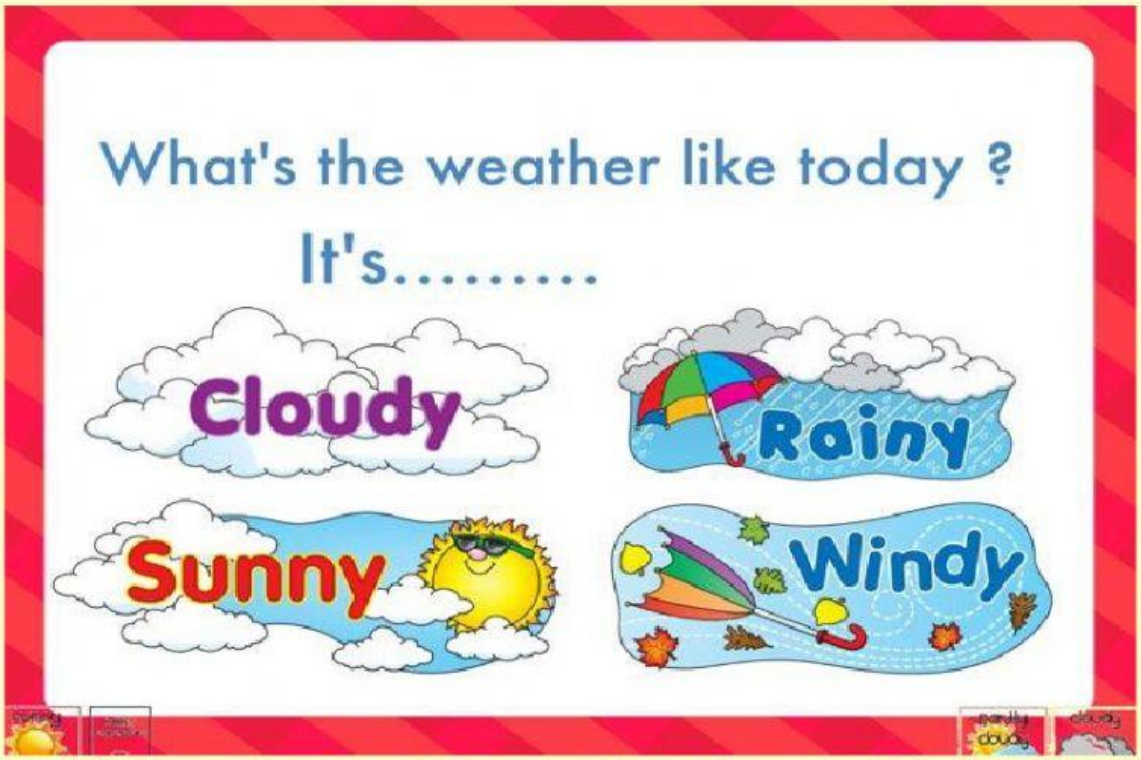
Do you remember?



Lesson 2

4 Listen and read. 4:04

Hello again! Some people say that London is the fashion capital of the world. Read this teen magazine article about fashion in London this summer. Which clothes do you like? Which clothes don't you like?

Look cool – whatever the weather!

Do you want to look cool in London this summer?

In London in summer the weather is sometimes hot and sunny but it's sometimes cold and rainy. Our models are wearing their favourite clothes for summertime in the city. They show you how to look cool in London whatever the weather!

Dave's wearing a short-sleeved, checked shirt and classic blue jeans. He's also wearing popular new-style trainers.

Gina's wearing a trendy orange dress and sandals. She's also got a light denim jacket to put on if it's cold.

Do you like these clothes? Which are your favourite clothes for summer?

READING TIP
