--------------	----------------	-------------------

On Friday morning David _____.

As you can see, all of them are routines and that's why we use the **PRESENT SIMPLE**.

Cómo puedes ver todas estas acciones son rutinas y es por lo que nosotros utilizamos el PRESENTE SIMPLE para hablar de ellas. Es algo que hacemos generalmente y de forma rutinaria.

PAY ATTENTION: We add an -s to the verb because the subject is a singular 3rd person.

Presta atención a que al final de cada verbo estamos añadiendo la -s porque el sujeto es una tercera persona singular.
