

My Whole World

always	place	song	people	kitchen	drink	
face	story	easy	share	coffee	cry	stranger
sun	tonight	second	bed	strong	garden	
empty	smile	change	town	someone		

Sittin' in the _____ by myself

This _____ is just for me, nobody else

Once I thought it's _____ to move on

But memories of you, they're just too _____

And every little thing, each single _____

Reminds me of your _____, your sweet embrace

And when I try to share this world with _____ else

And the _____ goes up and down but makes no sense

Some _____ say it doesn't hurt to try

But deep down I know it'll be the same old _____

I'll share my broken-hearted _____

With a _____ in a bar

And later on we'll share a _____ or two

And I'll share my _____ 'cause I feel lonely

But the truth ain't gonna _____

How could I _____ my world with someone new

When my whole world has _____ been you?

This _____ still remembers our first dance

This local bar is where you gave me a _____ chance

This _____ road reminds me of our fights

Mmh, this lonely _____ is where I miss you every night

I know I should _____ the world, I should be strong

But I'd rather stay home _____

'Cause I'm done with the same old _____
