Literary reading. Fairy tales.

THE WORD FAIRY TALE HAS BEEN KNOWN SINCE THE 17TH CENTURY.

Fairy tales about animals - the most ancient kind of fairy tale. Animals talk and act like people. The fox is always cunning, the wolf is stupid and greedy, the hare is cowardly.

Everyday fairy tales.
The heroes of these fairy tales are a peasant, a soldier and a shoemaker. They live in the real world and win thanks to
resourcefulness, intelligence and courage.

Fairy tales (magic).
The heroes of fairy tales fight for life and death, save friends and meet even evil spirits. Most of these tales are about the searching for a bride or a kidnapped wife.

Russian fairy tales

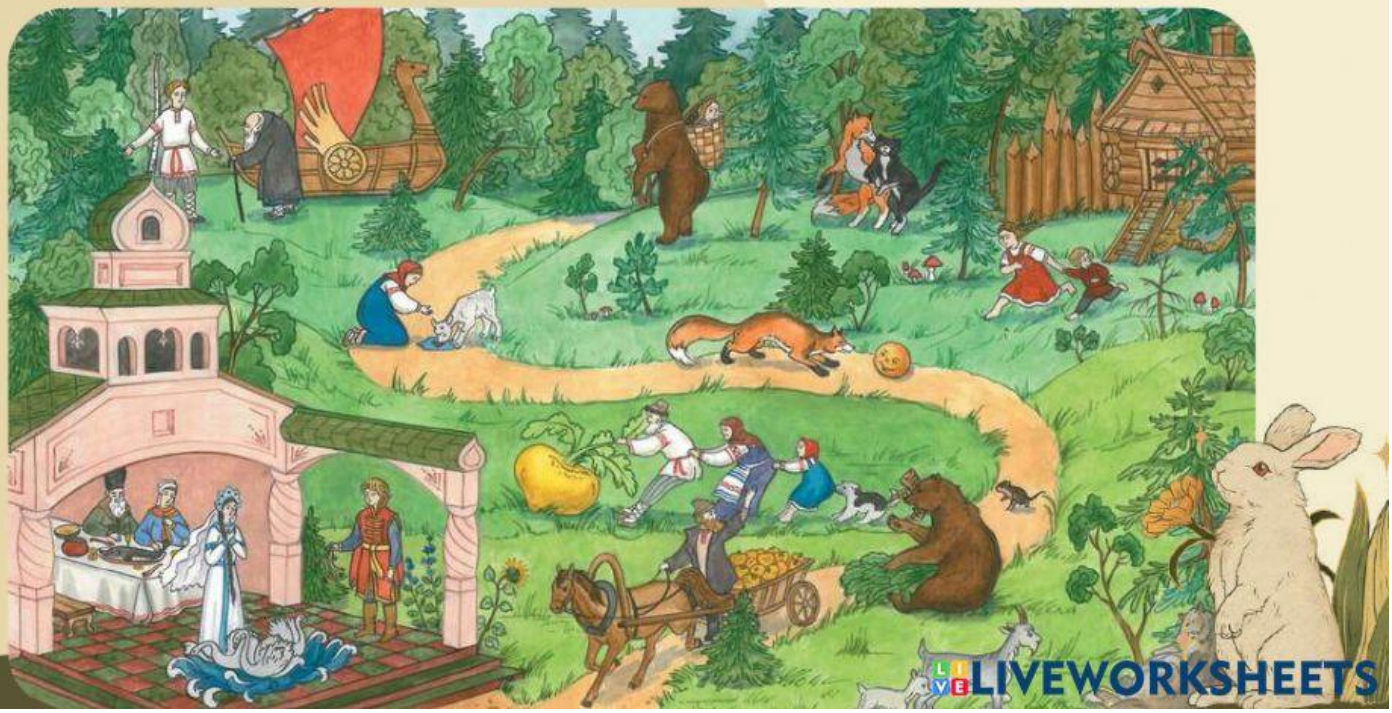

Typical characters of Russian folk tales are Ivan Tsarevich and Vasilisa the Wise.

Russian people have deep and sometimes complex characters and we can see it in the heroes.

At the end of fairy tales, there is usually a “feast for the whole world” and a magnificent wedding.

Often the heroes of Russian fairy tales have assistants.

Russian fairy tales have the ideas of moral values, that you need to be kind and responsive to others ("Morozko").

English fairy tales

The characters of English fairy tales are usually people of different profession: farmers or peasants.

The heroes of some English fairy tales are not always good, they can lie or do something bad ("Molly Whuppie").

Happiness for the hero of an English fairy tale is money, things and so on.

The heroes of many fairy tales are hardworking, independent, honest and brave; some of them become real folk heroes ("Adventures of Jack the Giant-Killer")
