chat

useful

My name is Ali. I think the internet is very important in our lives. I use the internet every day for three hours. I have a lot ofon my mobile phone like WhatsApp, Snapchat and Twitter. My favourite applications are WhatsApp, Instagram and Maps.

They are Because they make our life easier. For example, I use WhatsApp to with my friends. I use Instagram to my photos and videos. I can use the Maps Application to know the I recommend these applications to my friends because they are important in our recent life.
