LISTENING *Singapore solves it.*

A Listen to a resident of Singapore talk about how his city has tried to solve its traffic problems. Check (✓) True or False for each statement.

True	False	
☐	☒	1. Motorists can't drive into the business district.
☐	☐	2. People need a special certificate to buy a car.
☐	☐	3. There are enough certificates for everyone.
☐	☐	4. Cars are more expensive than in North America.
☐	☐	5. Public transportation isn't very good.

B Listen again. For the false statements, **speak** the correct information.

C CLASS ACTIVITY Could the solutions adopted in Singapore work in your city or town? Why or why not?
