Subject: My holiday

Hi Rana,

Thanks for your email.

Thanks for asking, the holiday was great. I knew it
1 _____ be as soon as we landed. The villa and weather were just perfect. But things didn't go as smoothly for my friend, Oscar.

He was 2 _____ to board the plane when they were told they 3 _____ going to be delayed. And not just by an hour or so, but by about eight hours in total. It was ridiculous considering their flight time was only about three hours!

When they finally got off the ground, they were in
4 _____ some terrible weather which meant they
5 _____ have to land at another airport and take off again.

We had already arranged it. We were 6 _____ at the villa at 5 pm, but he didn't get there until the next day in the end.

So, anyway, once he was there, it was fine, but it really was a bad start!

Anyway, I'll tell you more about it when I see you on Thursday.

Lucy
