## ACTIVITY 1: SPEAK IT UP!

Watch and listen to the video carefully and speak the missing word in the text

One summer's day, a lazy \_\_\_\_\_ was chirping, singing and enjoying the sun. The Grasshopper saw an Ant working very hard to gather food. He called out to the Ant,

***“Stop your silly work and have fun with me!”***

***“No”, replied the Ant.***

***“I am gathering food for \_\_\_\_\_. I suggest you to do the same”.***

But the Grasshopper simply ignored the \_\_\_\_\_ from the Ant. He spent the rest of the \_\_\_\_\_ day having fun. When winter finally began, The Grasshopper couldn't find anything to eat. He searched for food everywhere. But everything was buried under the \_\_\_\_\_. He remembered the \_\_\_\_\_ ant. He went to the Ant house and cried,

***“I am \_\_\_\_\_. I cannot find anything to eat.”***

The Ant felt \_\_\_\_\_ on him. He called The Grasshopper inside and gave him food. The Grasshopper ate happily and promised that he would never sit idle in the days before winter.
