

We can make ...

Inferences

Information from

Background

= INFERENCE

Thinking about a character's

Thinking about how a character handles

Thinking about what a character

Thinking about how a character

Using from the text

Thinking about what we already

Thinking about our own

When we make inferences we go beyond the author's word to understand what is not said in the text

Thinking Stems

- Maybe
- Perhaps
- It could be that ...
- This could mean ...

- I predict ...
- My guess is ...
- I infer ...

Inferring is using text and your background knowledge to put the pieces together!

Drawing Conclusions - take information from the text and come to a new understanding
