He taught people how to live according to God's will and many of them followed Him.

C\_\_ There were also some people, the priests of Israel called the Pharisees, who didn't like Him and were **jealous** of Him so much that they wanted to kill Him. Jesus had 12 disciples, one of them betrayed Him. He turned Jesus over to the priests, who **accused** Him of some bad things. They put Him on the cross, where He died with a lot of suffering.

D\_\_ For a long time BC in Israel there had been a prediction about the future passing from generation to generation that God would send Somebody to Israel Who would save the world. The Jewish people had been waiting for this special Somebody. And about 2000 years ago the prediction came true...

E\_\_ Jesus died and was risen, how did He save the world then? Well, exactly like it was said in the prediction: by dying.
