# Exercise 1

Choose the right words and write them in the blanks.

John is a high school student and he has been on the school football team for two years. He didn't have a great 1 in football because it looked 2, but everyone said he would be a good football player. It's because he is stronger than many of his classmates. He's 185 3 tall, and he weighs 100 4! He feels lucky to be so strong as a football player.

But John doesn't want to be that heavy and tall when he's not playing football. His classmates have called him "big bear" 5 he was fourteen. Sometimes they make 6 about his weight. He feels hurt and stays away from them. He didn't have any best friend until he 7 Sam. Sam is also on the school football team. They spend a lot of time together talking about football. John 8 that the number of friends doesn't matter, but everyone really needs to have a good friend.
