Model Text

Hi Nick,

Well, we've arrived in the USA, but it was an awful journey!

We set off from London on time, but we couldn't land in New York because of bad weather. **First**, we flew to Washington DC. **Then**, we waited for three hours to get off the plane. **Next**, we queued for two hours at the immigration desk. **After that**, we waited 45 minutes for the bus. **Finally**, we arrived at the hotel at midnight – we were exhausted! Look at the picture of my little sister!

We've booked another flight to New York for tomorrow.

I'll send an email when we get there.

Hi Chris!

We've arrived here at our campsite, but it was a terrible journey.

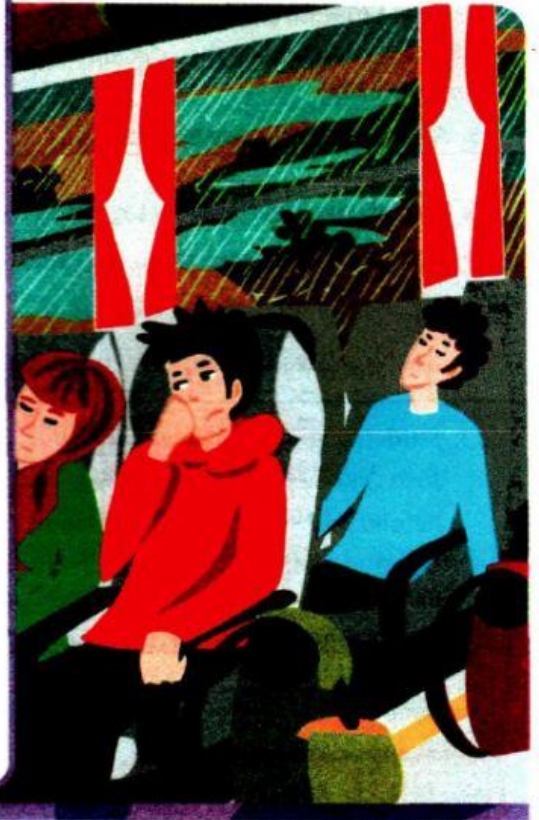

We left home at eight o'clock yesterday morning.

First, we got a train to Penzance, but there were floods and it took four hours. Then we got a bus to Land's End airport. But the weather was bad and we waited two hours to get on the plane. Next, we arrived at St Mary's airport. We got a bus to the port and after that we took a boat to St Martin's. It took 20 minutes, but the sea was rough and I felt sick. We were all exhausted when we finally got to the campsite in the dark.

This morning, the sun is shining and I feel happy.

This afternoon, we've booked a fishing trip. I'll try to catch some fish for our dinner.
