

Chapter 9: Volume and Surface Area  
Lesson 3: Volume of Spheres

1. Find the volume. Take  $\pi = 22/7$   
Round to the nearest tenth.

Volume =                       $\text{cm}^3$

2. Find the volume. Take  $\pi = 3.14$   
Round to the nearest tenth.

Volume =                       $\text{cm}^3$
