VII. Read the following passage carefully and write TRUE or FALSE. (1pt)

Baseball is the most popular sport in America now. Where did baseball come from? No one knows for sure. Many people believe that the idea came from a game played by children in England. Other people believe that a man named Banner Doubleday invented the game in Cooperstown, New York in 1831. The first teams played only for fun, not money. But baseball was very popular from the start. The first professional team appeared in 1869.

- | | |
