One afternoon last year, the children sailed to a small island that was about a kilometre away. They took awith them and ate it on the rocks there. Katy jumped up and said, 'Let's walk around the island. We might find something exciting here!' They did! They found a big dark..... Where the sea went in and out. 'Perhaps a sea monster lives here!' Robert whispered and laughed 'Or pirates treasure here!' Katy said. They spent a long time looking for shells. Then Sarah said, 'It's half past six! Come on! We must go back!' They round and saw a man. It was too dark to see his face. 'It's a pirate!' said Sarah. 'No, it isn't! It's me!' Robert's dad called. 'Wow! What a Place! But you're late! It's time to go back to the hotel!'
