Match the uses of salt to a way that Christians are the salt of the earth.

3. _____ Salt adds flavor to food.

4. _____ Salt is part of a good diet. People need it to live.

5. _____ Salt preserves food and keeps it from spoiling.

6. _____ Salt makes people thirsty.

a. When others see the love of Jesus in the life of a Christian, they will become thirsty to know God. Only He can quench their thirst.

b. Christians have the message of eternal life through Christ.

c. Christians can flavor the world around them with kind words, the fruit of the Spirit, and obedience to God.

d. Christians preserve goodness in the world and point the way to Jesus.
