

Analyze this song!

1. What is the song about?
2. Analyze the generic structure of the song
3. Analyze the figurative language of the song lyrics

Youngblood thinks there's always tomorrow
I miss your touch on nights when I'm hollow
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get
I want you to know that if I can't be close to you
I settle for the ghost of you
I miss you more than life (more than life)

And if you can't be next to me
Your memory is ecstasy
I miss you more than life

I miss you more than life

Youngblood thinks there's always tomorrow
(woo)
I need more time but time can't be borrowed
I'd leave it all behind if I could follow

Since the love that you left is all that I get
I want you to know that if I can't be close to you
I'll settle for the ghost of you
I miss you more than life, yeah

GHOST BY JUSTIN BIEBER

And if you can't be next to me
Your memory is ecstasy (oh)
I miss you more than life
I miss you more than life

Whoa
Na, na-na
More than life
Oh

So if I can't get close to you
I'll settle for the ghost of you
But I miss you more than life

And if you can't be next to me
Your memory is ecstasy
I miss you more than life

I miss you more than life
