You have to create your own sentences using the vocabulary item that you'll see in each picture (crea frases utilizando el vocabulario que aparece en las imágenes) You can also describe what you see in the image (también pueden describir lo que ven en la imagen)

For example: *picture of a bed* => I'm very tired, I think I am going to sleep in my comfortable bed.

Try to use as much vocabulary, verb tenses, adjectives, as you know.
