This is my family. I am taller than my brother and sister but my dad is the tallest. My mum is a vet and my dad is a teacher. I think being a vet is more interesting than being a teacher because you work with animals. I want to be an astronaut – I think this is the most interesting job! Being a vet is easier than being a teacher though, because teachers have to correct lots of homework. My job is the easiest – I'm a student!
