

# *It must have been love*

Roxette

Lay a whisper on my pillow  
Leave the \_\_\_\_\_ on the ground  
I wake up \_\_\_\_\_, there's air of silence  
In the bedroom and all \_\_\_\_\_

Touch me now, I close my \_\_\_\_\_  
And dream away...

It must have been love, but it's over now  
It must have been good, but I lost it somehow  
It must have been love, but it's over now  
From the moment we touched / crushed / blushed  
till the time had ran / run / turned out

Make believing we're \_\_\_\_\_  
That I'm sheltered by your heart  
But in and outside I turn to water  
Like a \_\_\_\_\_ in your palm

And it's a hard winter's \_\_\_\_\_  
I dream away...

It must have been love, but it's over now  
It was all that I wanted / waited / wondered,  
now I'm living without  
It must have been love, but it's over now  
It's where the water goes / slows / flows,  
it's where the wind grows / blows / goes
