

## Gestures around the world

Listen to the video and choose True or False

### True or false

- 1- All gestures mean the same around the world.
  - 2- Grabbing and twisting your nose means Alcohol in Russia
  - 3- Russian scratch their nose to say things are too complicated.
  - 4- Nodding for yes and shaking their head for no isn't a universal gesture.
  - 5- Tilting their head from side to side usually means uncertainty in South Asia.
- Do you know any other change?
