MATERIAL

A piece of square origami paper with a different color on each side.

Step 1:

- ☺ Take a Square piece of Origami Paper.
- ☺ Do a triangle fold by folding the paper diagonally and open up. You should see a crease line across the paper.
- ☺ Fold in the 2 sides from the edge of the piece of Origami Paper and touch the center crease line.
- ☺ Flip over the origami.

Step 2:

- ☺ Fold the 2 sides from the two ends towards the center crease line.
- ☺ Fold the flap in half (make half a diamond).

Step 3:

- ☺ Fold the flap from the base of the triangle towards the tip.
- ☺ Fold down the flap from the top point down. Rotate the Origami 180 degrees (upside down).
- ☺ Flip over the origami.
